Confirmation Year-2 Liturgical Ministry Requirement

Encounter Your Creator at Mass

DUE OCTOBER 7th

We believe that Mass is a crazy powerful opportunity for you to come face to face with God. At Mass Jesus invites us to his home to share a meal with each other and with God. He speaks with us through his Word and through the prayers, and he actually gives us His Body and Blood as the main course! Nothing on this earth can compare with that experience, if only we knew what we were receiving… Let's not take this opportunity for granted. **For our teens Sunday mass is required every week, whether we have Confirmation or not.**

Further, to help our teens get more out of the Mass, we require that every Year-2 Confirmation teen sign up for one of the ministries listed below. Serving at mass often helps teens engage. Once all information has been gathered a schedule will be made and your teen(s) will be responsible to fill this commitment. Because we have many teens in our program the actual participation will most likely be once a month or so.
